ABOUT EDC CONSULTING

Headquartered in Tysons Corner, Virginia, EDC Consulting LLC (EDC) is a professional services company that provides industry-leading Business Systems and Information Technology services to the Department of Defense, Federal, State and Local government and the private sector. EDC is a leader in providing end-to-end system implementation, integration and technology services using agile and lean processes for rapid results. We are subject matter experts in SAP, Oracle, PeopleSoft, Maximo, Microsoft and other business systems. EDC's mission is to forge scalable and sustainable solutions by bridging the gap between our clients' needs, and delivering our services through the right mix of innovation, creativity and experience. We provide our clients with the expertise they need to fully leverage their technology investments and optimize their mission critical systems and programs.

We continuously seek to align ourselves with talented, motivated individuals who are as passionate as we are about working with our clients to create smarter and leaner IT and business solutions. As a rapidly growing and successful company, EDC Consulting strives to be an employer of choice within the Washington, DC metropolitan area and the Federal government market. To achieve this goal, we hire only the brightest, most talented and passionate people. EDC Consulting's professionals accept challenging and rewarding work and in return receive excellent compensation and benefits, as well as the opportunity for personal and professional development. Our hiring process includes pre-employment screenings, a thorough background check (including salary and education history), and an in-depth structured interview covering your entire career. If you pass the muster, you will be part of dedicated team and on the path to a rewarding experience.
